TAG-Org has acquired an outstanding record of success among its clients, which include important agencies, international and Pan-Arab governmental funding organizations, as well as leading companies in banking, industry, insurance and commerce. We have successfully assisted these clients with complex business and management decisions involving people, equipment, facilities and capital.

## **Arabic Language Training and Examination**

TAG-DU has designed the Arabic Fluency Certificate to contribute to the dissemination of the Arabic language and its culture, enhance its value globally and ensure the standardization of the assessment of the linguistic level of native speakers and non-native speakers. This unique certificate also makes it easier for professional and academic institutions to assess with credibility and high quality the level of candidates through a standard exam that covers all the skills in the Arabic language. TAG-DU designed and developed this exam to be the most professional tool for determining the level of candidates in Arabic language with the utmost accuracy and objectivity.

### **About the Arabic Fluency Exam**

It is a tool and systematic process to measure the learning outcomes of candidates and their Arabic linguistic and cultural knowledge. It is a standardized exam that measures the ability of candidates to benefit from their study of the Arabic language, and identifies the extent of their familiarity with its rules and principles.

This exam measures a wide range of the Arabic language content: the extent to which the candidates are able to read, their knowledge of the vocabulary, grammar, in addition to their ability to listen, speak and write in Arabic. It has been prepared by specialized professionals, applied in standard conditions and corrected in a professional way. It is standardized and comprehensive covering all parts and sections of the Arabic language. It is an exam that determines the linguistic level of native Arabic speakers and non-native speakers. It conforms to the standards of the Common European Framework of Reference (CEFR), taking advantage of the American Council on the Teaching of Foreign Languages (ACTFL) guidelines, and taking into consideration the

specificity of the Arabic language. The exam is carried out with a high degree of stability under a neutral supervision and with the utmost accuracy and objectivity.

### **Arabic language courses**

TAG-DU offers Arabic language courses that aim to enable participants at all levels to acquire a variety of language skills, from basic to excellence, and to qualify the competent candidates to gain proficiency in a professional and specialized language (literary, diplomatic, media, etc.). In addition, these courses help the candidates to prepare for the Arabic Fluency Exam. The courses are offered through the accredited centers by a group of highly specialized professionals who have experience in this field.

These courses ensure the integration of Arab or foreign students with the local community, and highlight the Arab and Islamic culture, which enables them to think and conduct a dialogue in a fluent Arabic language, through several procedures, including:

- Providing a healthy and appropriate living environment in vital areas which exposes the participants to diverse situations while fulfilling their daily necessities of transportation, grocery shopping, visits and more.
- Linking them with language colleagues (for foreign students).
- Involving them in a variety of life and cultural situations, and various community activities, which enables them to deal with all segments of society on a daily basis.
- Focus on teaching aids that enhance classroom learning such as trips, field visits and interactive tasks that enhance performance in the use of Arabic language.

## **CIMA Islamic Finance Training and Examination**

Talal Abu-Ghazaleh Academy presents the CIMA Diploma in Islamic Finance; the first global qualification to be offered by a professionally chartered accountancy body. The diploma was developed to meet the fast growing demand for a globally recognized qualification in the Islamic finance sector. It is designed to equip students with the knowledge and skills needed in this dynamic and exciting market area. CIMA worked closely with the International Institute of Islamic finance Inc (IIIF) to develop a relevant professional qualification that will help drive the world's Islamic finance institutions.

There is a global shortage of skilled Islamic Finance professionals and this qualification has been developed to meet this shortfall. Ideal for companies who wish to increase their pool of suitably qualified Islamic Finance staff it is also relevant for those individuals who wish to increase their knowledge of Islamic Finance. This diploma will be valuable for both newcomers to Islamic Finance and experienced financial professionals seeking accreditation and qualification in this field.

### **Who will benefit?**

- All staff working in the financial services sector who would like to be a part of this dynamic industry.
- Those currently working in Islamic Finance who want to hone their skills and broaden their knowledge.
- Anyone wishing to enter the financial services sector and specialise in this dynamic subject area.
- Those in the legal and accounting profession who advise on Islamic financial issues.
- Anyone who has an interest in Islamic finance, or companies wishing to trade in Islamic countries or who are seeking additional funding which might be Shari'ah compliant.

## **Customized Automated Exams Services**

We are capable of delivering customized automated exams service, in which you will have the ability to conduct online exams for as much as you have candidates and in any destination around the world, our service is easy to use, efficient, very secure, and the stored and transferred data are encrypted.

### **Service Parts:**
